

**Ava R-I School District**

**Parent Portal Agreement-Do NOT fill out this form if you already have an account set up from previous years.**

***(This is different than the school app for your phone. See the district webpage for app.)***

Parent Portal is available through our student database system. Parent Portal is a web based program that offers secure up-to-the-minute information on your child’s schedule, grades, attendance, discipline, lunch account, etc.

Information regarding your child is available only by user account and password. An auto-generated email will be sent to you after we receive this sign-up sheet. Your username will be your email address. One account will access all of your children enrolled in grades Pk-12.

We do not have access to your password. If you lose or forget your password, please click on forgot password. It is the responsibility of the parent/guardian to keep the account private and password secure.
