

To assist students in maintaining a strong academic focus, students are encouraged to access their SIS student portal to check grades, attendance rates, and scheduling options.

A student's access is available with their lunch PIN and their birthday in a six digit format at [Student Login Page](#).

The screenshot shows the 'Student Portal' interface. At the top, a dark blue banner reads 'Student Portal (Checking Your Grades!)'. Below this is the Ava R-I School District logo, a stylized bear head, and the text 'Ava R-I School District'. A login form is displayed with three tabs: 'Staff', 'Parents', and 'Students'. The 'Students' tab is active, showing fields for 'Student ID:' and 'Password:', a 'Login' button, and a link for 'Forgot your password?'. To the right of the form, instructions state: 'Google: SIS, Tyler, Ava', followed by the URL <https://sisk12.avabears.net>. Below the URL, it specifies 'Student ID: 4 Digit Lunch Number' and 'Password: 6 Digit Birthday', with an example: '(For example: January 1st, 1999 is 010199)'. At the bottom left, a small text reads 'Welcome to Ava R-I School District'.
